**STATUS REPORT REGARDING SERVICE OF PROCESS**

AND NOW comes Plaintiff Citrus Energy Corporation (“Citrus”) and by its undersigned attorneys submits this Status Report Regarding Service of Process as directed by the Honorable James M. Munley, stating as follows:

1. Citrus commenced this action on August 27, 2010.
2. Even prior to commencing this action, Citrus and certain Defendants had been engaged in settlement negotiations seeking a complete resolution of all claims.
3. These settlement negotiations continued following the institution of this action and it was hoped that a settlement could have been consummated prior to the need to serve original process in this action.
4. Although the ongoing settlement negotiations were at an advanced stage, they were not proceeding to conclusion: (a) with the alacrity desired by Citrus or (b) in accordance with Citrus’ duties to achieve service of original process. Accordingly, Citrus was compelled to arrange for service of process in October 2010.

5. On October 14, 2010, Citrus provided a Notice of Lawsuit and Request for Waiver of Service of Summons to Defendants Deer Park Lumber, Inc., Ryvamat, Inc. and Sally A. Steele. Pursuant to the Federal Rules of Civil Procedure, these Defendants' return of the Waiver is due November 13, 2010

6. On October 18, 2010, Citrus provided a Notice of Lawsuit and Request for Waiver of Service of Summons to Defendant Unit Petroleum Company. Counsel for Unit Petroleum has executed the Waiver and provided a copy to counsel for Citrus.

7. Within the past week, the parties to the settlement negotiations reached an agreement on the terms of settlement. As of the filing of this Status Report, counsel for Citrus represents to this Honorable Court that settlement documents are being executed and exchanged. Counsel for Citrus expects that the executed settlement documents will be delivered to the respective parties by early next week. Promptly thereafter, Citrus will discontinue this action with prejudice.
